Dear Dr Troell

You are to be congratulated. Many thousands of biographies from a wide variety of sources are investigated by the Research and Editorial Departments of the International Biographical Centre each year for inclusion in our renowned reference books and for consideration for our Awards Programme. A select few are those of individuals who, in our belief, have made a significant enough contribution in their field to engender influence on a local, national or international basis. You are one of these contributors to excellence. You have, through your constant efforts, maintained a standard worth rewarding. Therefore, as a **noted and eminent** professional in the health profession you have now been considered and nominated for recognition by the IBC. Ratification of this nomination by the Awards Board is now complete and it is therefore my great honour to name you as a member of the IBC

## LEADING HEALTH PROFESSIONALS of the WORLD 2011

As holder of this distinction, you can be assured of your place in our history and be gratified that your work has not only been noticed but recognised as outstanding. In any one year few of the world's foremost health professionals, both the famous and the uncelebrated, from all disciplines will be able to populate this exclusive list. These are people whose daily work *makes a difference* - not just those who populate the headlines. It is henceforth decreed that **you** should be on this list for 2011 but as bearer of this honour you will be recorded for perpetuity in the halls of the International Biographical Centre - I trust you will be proud to know your name is to take its rightful place.

As a listee of the IBC **LEADING HEALTH PROFESSIONALS of the WORLD** you are eligible for the commemorative items available - the distinguished and limited **LEADING HEALTH PROFESSIONALS of the WORLD** medal, designed by our regalia-makers to the World's Monarchies, and the distinguished illuminated certificate which is printed in full-colour on finest parchment - I enclose details for your perusal.

I am very pleased to be able to bring you this news and hope you feel proud of the influence you have on your colleagues and friends. It is only left for me to offer my sincere congratulations. I look forward to hearing from you.

Sincerely

Nicholas S. Law  
Director General
